Splashy Fenn here I come! I have airline reservations to fly to RSA April 15, arriving Durban April 16, 5:20 pm, but that itinerary may change somewhat. As you can see, I am now on-line thanks to your nudging! Also, I have found using the world wide web useful for researching a book that I hope to publish about Janet Mondlane in Mozambique. I hope to meet with her, and other FRELIMO people, in Maputo during my visit to Southern Africa April 16 to May 15 (approximately).

Please let me know if you get this message, since I am still a little dubious about its effectiveness. My e-mail address is: [jradford@swcp.com](mailto:jradford@swcp.com)  
The 'from' space at the top of this message seems to have it wrong, with 'radoord' for some reason

Love to all... hope to see you soon. Jeff (& Ben)
