

THE SOWETO TEACHERS CHOIR was formed in 1969 by Mr Timothy Mahlaba and Mr Jabulani Mazibuko. The choir has been National Champion of South African Teachers' choirs since its formation. The visit to Llangollen is planned with two purposes in mind. The choir wants to extend its area of competition so as to be stimulated and challenged for greater achievements. The choir also wants to take traditional indigenous African music to Europe.

We wish choirmaster, Jabulani Mazibuko, and all members of the choir a happy and successful trip.
