"A TOTAL of 101 coloured people became whites, one Chinese became a white, two whites received coloured classification, six whites became Chinese, two whites became Indians, 10 coloured people became Indians, 10 Malays became Indians, 11 Indians became coloured people, four Indians became Malays, three coloured people became Chinese while two Chinese were reclassified as coloured people." — A reply given by the Minister of the Interior to a question in Parliament last week.

Apartheid — when it's put down in black and white (and brown and yellow) like this — really is ridiculous.
