"it doesn't get any better than this"

Peter Ferraz (1938 - 2014) - Splashy Fen Founder

Tribute on Friday at 17:00 - Grant Erskine Marquee

PLEASE READ!

- Persons younger than 18 will only be allowed into Splashy Fen if they are under parental supervision.
- Alcohol is not for sale to persons under the age of 18. Anyone found supplying alcohol to a minor will be asked to leave the festival.
- While every effort is made to safeguard visitors and their property, it's advisable to lock valuables in your vehicle when leaving your campsite. This includes gas bottles, clothes, cameras etc. Any incidents of theft should immediately be reported to Security or the all-hours festival number - **078 065 9389**
- No glass/bottles, pets, car boot music, vuvuzelas or sirens are allowed in the festival site. Be considerate of others and don't forget the 2am noise curfew!
- As there is a risk of runaway fire, please don't throw cigarette butts in the grass, set off fireworks or sky lanterns, build bonfires, or leave campfires unattended. If you see any unattended fires, please put them out or call the all-hours festival number.
- Feel free to walk around the farm, but please respect the No Entry signs leading to private areas. Don't damage the game fences, as these help to keep trespassers out. And please don't stray onto neighbouring properties, as the owners might not welcome the intrusion into their homes.
- The ground is uneven in places, so take care when walking. Also keep a lookout for snakes and check before you sit on or near rocks.
- Young children should not be left to wander around by themselves, especially near the river.
- For security reasons, please do not remove your festival wristbands.
- Lost property may be handed in and collected at the Info Tent.
- When entering or leaving the farm, keep your speed down and watch out for campers, guy ropes and pedestrians.
- Motorcycles and quad bikes may not be ridden on the premises.
- No firearms, weapons, illegal substances, violent, offensive or dangerous behaviour, unauthorised solicitations, sampling or giveaways will be tolerated at Splashy Fen and offenders will be dealt with by the necessary authorities.
- Vehicles, bags and other items may be searched upon entry and during the event to ensure the safety of festival-goers.
- No professional photography equipment, audio recording devices or video cameras are permitted without official accreditation.
- Attendees consent to filming, photographing and sound recording as members of the audience.
- Please respect the environment and leave the farm the way you found it! Full refuse bags should be placed on the side of the road for collection in the mornings. Replacements are available at the Info Tent.
- Feel free to swim and tube in the river, but please don't use soap or shampoo or pollute the water in any way.
- The river may be shallow in places, so diving is not advisable.
- Most importantly, take care of each other! Splashy Fen is a community and we need to look out for fellow festival-goers!

INDEMNITY

Attendees assume all risk and danger incidental to attendance of this event (in any capacity) and release the owners of Splashy Fen Farm and C-Weed Entertainment Promotions and their close corporations, employees, suppliers, sponsors or representatives from any and all liabilities, damages, costs and expenses arising from any cause whatsoever. This includes but is not limited to any damage, theft or loss of property or earnings, as well as any death or injury or damage to any person within the premises of Splashy Fen Farm before, during or after the festival. The organisers can also not be held responsible for poor weather, water or power interruptions, the failure of artists to perform, or any other unforeseen circumstances that may occur. Right of admission is reserved.

GRANT ERSKINE MARQUEE
