

MANA MUSIC ASSOCIATION NATAL

INTRODUCTION

The MUSIC ASSOCIATION (of NATAL) MANA is a non-profit association formed in August of 1988 with the intention of providing an infrastructure that will allow any person or organisation involved or interested in local music to work together in order to create opportunities & solve problems

AIMS & OBJECTIVES

To help effect positive changes within our various communities, thru music
To unite all those involved in music who are committed to unity and peace
To uphold the freedom of expression and association
To draw up a code of conduct and a programme of action that will enable MANA to be an effective and progressive cultural force.

WHAT DOES MANA NEED TO ACHIEVE THESE AIMS AND OBJECTIVES?

We already have a motivated, enthusiastic and dedicated working committee; some of whom are prepared to work full-time for MANA if funds can be raised

Our immediate needs are: A permanent, centrally situated office that can serve as an administration and information centre; a tuition and rehearsal space; as a meeting, performance and audition venue; in other words a contact-base from which various (community and commercial) organisations can operate and interact

MANA can assist them in mobilising their resources and talents

MANA MUSIC ASSOCIATION NATAL

If you have overlooked your membership fee, we would be delighted to receive it ASAP.

The more paid-up members MANA has, the easier it will be for us to approach sponsors, to organise events, to open up new venues, to provide rehearsal space and to realise our goal of providing more security for the musicians of Natal.

At the moment we have a chicken-and-egg situation - your contribution will help us to break this deadlock and to create a focal point through which musicians can channel their ideas, aspirations, needs and complaints.

The more bona fide members MANA has, the more we can offer our members in return.

We rely on your support!

LET'S DO IT NOW!!!
